About ISHRAE

ISHRAE - Indian Society of Heating Refrigerating & Airconditioning Engineers, is also a Professional Society established in 1981, with over 12 chapters in India & Middle East with over 4,000 members.

In accordance with its objective of dissemination of information regarding HVACR, ISHRAE has published 3 Handbooks on AC, R & V. ISHRAE-PUNE Chapter has published 'Refrigeration Handbook-2nd Edition' in Feb 2006.

ISHRAE also organises, COMFEX, an Regional Exhibition in ACR annually and ACREX - a National / International Exhibition, every 2 years. ISHRAE PUNE had organized the COMFEX in April 2002 and would be organizing the next COMFEX around Nov 2008.

About ASHRAE

ASHRAE - American Society of Heating Refrigerating & Airconditioning Engineers is an International Professional Society established in 1894 in USA. ASHRAE has chapters all over the world with over 70,000 members. Its prime objective is to disseminate HVACR information thru Publications, Seminars & Exhibitions. ASHRAE Journal / Handbook are its most important monthly & yearly publications, which are now available in Electronic Media, too.

ASHRAE supports its chapters actively thru its training materials, continuing education programmes and sponsors the lectures / seminars presented by its Distinguished Lecturers. ASHRAE very actively supports Student Chapters thru projects / awards.

ASHRAE has 3 chapters in India and Western India Chapter [ASHRAE-WIC] covers Maharashtra, Gujarat, Goa & MP geographically.
